

## E-Reader Day

Want to learn how to search for free library e-books and download them to your e-reader? Patrons with a Kindle or any other e-reader can drop by the library for hands-on help between 11am and 6pm. At the top of every hour you can watch a short demonstration on how to find and check out ebooks. For the rest of the hour, staff will be on hand to answer questions and help you download e-books. Staff can also demonstrate several different e-reader models for people who don't own one and want to learn more.

This event is made possible thanks to the Friends of the West Linn Library and the West Linn Library Foundation.
